APPALACHIAN GAS MEASUREMENT SHORT COURSE

R. L. Laughlin & Co., Inc. participated in the 74th Appalachian Gas Measurement Short Course at Robert Morris University, August 5th- 8th, 2014. There was record attendance with an exceptional program and record number of vendor booths. This is the premier show for the gas industry providing the latest in technological advances every year and educational classes in all areas of gas measurement. The hands on workshops fill up every year and are most informative. Join us next year as we celebrate the 75th anniversary of this tremendous event!

Hartville

Shane Coon - The Company has hired Shane to take over safety duties. Shane lives in Hartville, OH and will have the safety office in Hartville. Shane has extensive experience in safety management positions, both hands on and formal education. He will be able to spend time needed in the field on BBS and JSA issues, his background in construction and refinery work is closely related to what we do and will be very helpful in our daily work and any safety concerns. Give him your full support in his new job and the company will be better for it.
